**TriSoler Racing's Charitable Focus and Attention will be to support the Fisher House of San Antonio...Our members will hold special events to raise money and will volunteer their time to support the local families.**

### **The Fisher House™ Program**

The Fisher House™ program is a unique private-public partnership that supports America's military in their time of need. The program recognizes the special sacrifices of our men and women in uniform and the hardships of military service by meeting a humanitarian need beyond that normally provided by the Departments of Defense and Veterans Affairs.

Because members of the military and their families are stationed worldwide and must often travel great distances for specialized medical care, Fisher House™ Foundation donates "comfort homes," built on the grounds of major military and VA medical centers. These homes enable family members to be close to a loved one at the most stressful times - during the hospitalization for an unexpected illness, disease, or injury.

We look forward to speaking with you soon, if you have any questions or concerns please do not hesitate to contact Edgar or me.

Sincerely,

Edgardo Gonzalez
